

Marcus Ellison

Senior AI / ML Engineer

Austin, United States
c013.111@example.test
+00 000 822 764

PROFILE

Senior AI/ML Engineer with 8 years of experience designing and deploying machine learning systems and LLM-powered applications. Skilled in building scalable ML pipelines, fine-tuning deep learning models, and integrating generative AI into production environments. Proven track record leading cross-functional teams to deliver reliable, high-performance AI solutions.

SKILLS

Python · PyTorch · LangChain · TensorFlow · MLOps · Docker · Kubernetes · AWS · SQL · Vector Databases · Hugging Face Transformers

WORK EXPERIENCE

Senior AI/ML Engineer — Lonestar AI Labs

Austin, United States | 2021-Present

- # Lead development of LLM-based retrieval-augmented generation systems using LangChain and vector databases
- # Architect and deploy scalable ML pipelines on AWS SageMaker and Kubernetes
- # Mentor junior engineers on model development best practices and code reviews
- # Collaborate with product teams to integrate generative AI features into customer-facing applications
- # Optimize inference latency for production-grade transformer models

Technologies: Python, PyTorch, LangChain, AWS SageMaker, Kubernetes, Pinecone

Machine Learning Engineer — Silverline Analytics

Austin, United States | 2018-2021

- # Developed computer vision models for defect detection in manufacturing pipelines
- # Built and maintained ETL pipelines for training data preparation
- # Implemented model monitoring and retraining workflows to ensure production reliability
- # Worked with data scientists to translate research prototypes into deployable services

Technologies: Python, TensorFlow, Docker, PostgreSQL, Airflow

Data Science Engineer — Bright Path Software

Austin, United States | 2016-2018

- # Built predictive models for customer churn and demand forecasting
- # Automated data preprocessing and feature engineering workflows
- # Supported deployment of ML models into internal business dashboards

Technologies: Python, Scikit-learn, SQL, Pandas

EDUCATION

Master of Science in Computer Science, Machine Learning Specialization

University of Texas at Austin — 2016

LANGUAGES

English - Native · Spanish - B1
