

Marc Vidal Puig

AI/ML Engineer specializing in LLM Applications and Conversational AI

Barcelona, Spain
c002.968@example.test
+00 000 225 877

PROFILE

AI/ML Engineer with 4 years of experience building and deploying machine learning solutions, with a recent focus on LLM-powered applications and agentic workflows. Skilled in designing production-grade pipelines using Python, LangChain, and LangGraph, deployed on GCP infrastructure. Passionate about bridging research and practical, scalable AI systems.

SKILLS

Python · LangChain · LangGraph · GCP · Vertex AI · Docker · SQL · TensorFlow · REST APIs · Prompt Engineering · Kubernetes

WORK EXPERIENCE

AI/ML Engineer — Nexora Labs

Barcelona, Spain | 2022-Present

- # Design and implement LLM-based agents using LangChain and LangGraph for customer support automation
- # Build and maintain ML pipelines on GCP using Vertex AI and Cloud Functions
- # Develop RAG systems integrating vector databases with internal knowledge bases
- # Collaborate with product teams to define AI feature requirements and success metrics
- # Monitor model performance and implement evaluation frameworks for LLM outputs

Technologies: Python, LangChain, LangGraph, GCP, Vertex AI, FastAPI, Pinecone

Machine Learning Engineer — Datalume Solutions

Barcelona, Spain | 2021-2022

- # Developed and trained supervised learning models for predictive analytics use cases
- # Built data preprocessing pipelines using Python and SQL for structured datasets
- # Deployed models as REST APIs using Docker and GCP Cloud Run
- # Assisted senior engineers in feature engineering and model evaluation

Technologies: Python, TensorFlow, Docker, GCP, SQL

Junior Data Analyst / ML Intern — Innovatia Tech

Barcelona, Spain | 2020-2021

- # Supported data cleaning and exploratory analysis for internal reporting tools
- # Built basic classification models under supervision using scikit-learn
- # Assisted in creating dashboards to visualize model outputs for stakeholders

Technologies: Python, Pandas, scikit-learn, SQL

EDUCATION

Bachelor's Degree in Computer Science

Universitat Politècnica de Catalunya (UPC) — 2020

LANGUAGES
