

Marcus Whitfield

Senior AI/ML Engineer

Austin, United States
c013.817@example.test
+00 000 437 761

PROFILE

Senior AI/ML Engineer with 8 years of experience designing, training, and deploying machine learning systems at scale. Specializes in deep learning architectures, LLM application development, and MLOps pipelines. Proven track record of leading cross-functional teams to deliver production-grade AI solutions in fast-paced environments.

SKILLS

Python · PyTorch · LangChain · TensorFlow · MLOps · Docker · Kubernetes · AWS SageMaker · NLP · Vector Databases · SQL · Distributed Training

WORK EXPERIENCE

Senior AI/ML Engineer — Cognivance AI

Austin, United States | 2021-Present

- # Lead development of LLM-powered internal tools using LangChain and custom retrieval pipelines
- # Architect and maintain scalable model training infrastructure on AWS SageMaker
- # Mentor junior engineers on best practices for model deployment and monitoring
- # Collaborate with product teams to define AI feature roadmaps
- # Optimize inference latency for production NLP models

Technologies: Python, PyTorch, LangChain, AWS SageMaker, Docker, Kubernetes

Machine Learning Engineer — DataForge Systems

Austin, United States | 2018-2021

- # Built and trained deep learning models for time-series forecasting and anomaly detection
- # Developed data preprocessing pipelines using Python and SQL
- # Deployed models into production using Docker containers
- # Collaborated with data engineering team to improve feature store reliability
- # Conducted A/B testing to validate model performance improvements

Technologies: Python, PyTorch, TensorFlow, SQL, Docker

Data Scientist — Lonestar Analytics

Austin, United States | 2016-2018

- # Analyzed large datasets to identify business insights and trends
- # Built predictive models using scikit-learn and pandas
- # Created dashboards and reports for stakeholder decision-making
- # Supported data cleaning and feature engineering tasks

Technologies: Python, scikit-learn, pandas, SQL

EDUCATION

Master of Science in Computer Science

University of Texas at Austin — 2016

LANGUAGES

English - Native · Spanish - B2
